

AMENDMENTS TO THE SPECIFICATION

The Substitute Specification complies with 37 C.F.R. § 1.52(a)-(b) and 37 C.F.R. § 1.125(b) and no new matter has been added to the Substitute Specification. Applicants are providing clean and marked-up versions of the Substitute Specification, in compliance with 37 C.F.R. § 1.125(c), but since changes are the addition of Section Headings which are to be underlined in the actual text, the underlining designating the insertion merges with the underlining in the actual text, and the clean and mark-up versions appear identical, and only one copy is being submitted. Entry of the Substitute Specification is requested
